...less recently

Staff 1st Photo Assistant, Office / Studio Manager, Producer, Tom Contrino Photography (TCP), a busy NYC area advertising fashion commercial photo studio. Job description also entailed extensive travel and destination production. I moved from the South Florida market to the NYC area to work for TCP. Worked with TCP full-time for (6) years. Tom also worked as a tv commercial Director during this time and we produced a director's reel in Miami Beach. Tom and I still maintain a working business relationship.
